Dental Resource

Healthy San Francisco does not provide dental care. There are, however, dental resources located throughout the San Francisco Bay Area that provide **free or reduced-cost** dental services. Range of services and costs vary depending on an individual's income and assets, and the clinic or agency's own policies related to free and reduced-cost care. If you are in need of dental care, contact one of the resources below for more information.

The information provided in this guide is intended as a resource only. Services are not guaranteed. *Healthy San Francisco* will not pay for, or reimburse the cost of dental care services.
